

Crowd Control Team—Irwin Drive 101

Logistics

- Please check in at Memorial Stadium on the Southwest Corner at Gate 24. Upon check in, you will receive your official marathon volunteer t-shirt and drawstring backpack. Please change into your volunteer shirt.
- Your coordinator for Irwin Drive is Kate Denmead (217/294-3864)

Job Description

Irwin Drive is the last piece of the racecourse for 10K runners and marathoners, so it is imperative that we keep the road clear of spectators.

Volunteers will be positioned on each side of Irwin Drive. Your job is two-fold:

1. Do not let spectators go near the entrance to the Stadium
2. Do not let spectators cross Irwin Drive, unless there is a large gap in runners and you can send the spectator across the opening without any interference with the race participants.

Reminders:

- Wear appropriate shoes & clothes for the weather. Wear sunscreen & a hat if it is a sunny day!
- Take a break when needed.
