

Expo Guide Team

Location: Activities and Recreation Center, 201 East Peabody Drive, Champaign.

Dates: April 20 or April 21, 2017

Welcome folks at the front door of ARC and throughout the lobby area. Direct race participants to flow down the right side of the lobby and past the scanning station.

Thank them when they leave. Direct runners looking for something—the expo, the pasta feed, or the auditorium where the guest speakers will give their talks.

Position yourselves in key locations at the ARC to keep participants from wandering around ARC.
