

## **Finish Line Food Setup Team 101—Thursday and Friday**

Your coordinators are: Lynn Kincaid (217-637-1410), Liz Lindemann, Lori Ellinger & Jeff Vanbuskirk

**Task:** Unpack cartons of food and disperse to all serving areas to prepare for runners on Race Day. Crews will also help in setting up tables and stanchions in correct areas to set the Great West Hall of Memorial Stadium for control of the crowds.

### Thursday, April 20—2:00-5:00pm

- Report to Great West Hall by 2:00pm. Come to Gate 24 at the southwest corner of Memorial Stadium and check-in with the supervisors. You will get your volunteer t-shirt and drawstring bag at that time.
- Instructions will be given onsite to all volunteers about the jobs to be completed. **Please come wearing comfortable clothes for moving and lifting boxes. If you have a pair of work gloves you can bring to the call, it is recommended.**
- If you are not comfortable lifting boxes or staying on your feet for long periods of time, this may not be the right job for you. Please alert the supervisors as soon as possible and we can try to reassign you to a more appropriate volunteer team.
- We will be unloading dry goods and bananas and preparing them to be served.
- Some hand trucks and carts will be available to help, but not enough for everyone.
- Please check in with one of the coordinators before you go to be sure all the jobs are done!
