

Golden Ticket Redemption Team 101

We have placed Golden Ticket stickers on the race numbers of several hundred entrants (across all events), awarding the lucky participants who get one with a prize from one of our sponsors, just like the golden tickets found in Willy Wonka chocolate bars! See example below!

The winners must pick up their designated prize at the golden ticket booth located at the expo in Gym 1.

Volunteers will staff the booth in Gym 1 of the expo. All of the golden ticket prizes will be in the golden ticket booth with you.

We will have small cooler filled with folded slips of paper inside, each one containing the name of ONE of the golden ticket prizes.

Entrants who come to the golden ticket booth with their winning race number will reach inside the cooler and pull out a slip of paper containing the name of their prize.

Volunteers will read the prize listed on the slip of paper, cross off (using the provided highlighter) the prize on the list provided, and award the prize to the winner.

Have fun!
