marathon

## 2018 Mile Sponsor Program

In Partnership with United Way  
of Champaign County

### Own a piece of the race

- Your \$1,000 donation to the United Way will make you a Mile Sponsor of the Christie Clinic Illinois Marathon.
- Support your community by picking which United Way charity receives half of your donation (see agency list on page 4). The race picks a United Way charity to receive the other half.
- Provide 10 course team volunteers on your mile and the race will donate \$100 more to your designated United Way charity.

### All mile sponsors receive

- Company name on a specific mile marker
- Opportunity to set up music or other entertainment along the company mile
- Brand exposure with your company logo on the race website and in the official Race Guide
- Two complimentary race entries
- Two complimentary tickets to the pasta dinner
- Two invitations to all sponsor events

The Mile Sponsor Program is not only great marketing, it is also a great way to involve your company/organization in giving back to the community by participating in the greatest race in Central Illinois! Runners love to be cheered on by fans along the route. Let them know who your company or business is.

For more information or to arrange sponsorship, contact **Kathy Atchley**, [kathyatchley3@yahoo.com](mailto:kathyatchley3@yahoo.com), 217/369-3219.

As a 2018 mile sponsor of the Christie Clinic Illinois Marathon, your company will "host" one mile on the course and receive the following additional benefits:

- Your company/organization will be recognized as a Mile Sponsor of the Christie Clinic Illinois Marathon.
- Your company will receive two (2) free race entries, two (2) complimentary tickets to the pasta dinner, and two (2) invitations to all sponsor events.
- Your company name and logo will appear on a specific mile marker.
- Your company logo will appear on the race website and in the Official Race Guide.

## Ideas for Mile Sponsors

Mile Sponsors can do as little or as much as they want to make their mile unique and memorable. The race committee is also available to help with development.

- Make your entire mile fun, festive, and clean.
- Recruit “cheerleaders”—loud, enthusiastic, and inspiring supporters.
- Provide entertainment on along the course.
- Provide additional signage to promote your company.

While it is important to promote your business and entertain the runners, we want to make sure that the rhythm and safety of the race is maintained. Therefore, we cannot allow anything or anyone onto the race course that would slow the runners down or cause them to be distracted. Aid stations are already part of the race event, so your company does not need to provide drinks to participants. In order to coordinate course entertainment, it is important that we know if your plans include any music or other entertainment.

In order to prepare the race course for each mile sponsor, it is important that the form below be returned with your payment/registration information.

---

Mile #	Company/Organization
--------	----------------------

Please describe in detail your plans, if any, for additional signage, or ways you are planning to promote your company as a mile sponsor.

Our mile coordinator is available to help you make your mile special. If you would like some help or have any questions about what is allowed as a mile sponsor, please contact Kathy Atchley at 217/369-3219.

**This form must be returned by April 6, 2018, to be included in the official Race Guide.
