

Race Shirt Exchange Message Board Team

After checking in at the volunteer station in the ARC lobby where you'll receive your official volunteer TEAM shirt and drawstring backpack, go Goody Bag/T-shirt area of Gym 1 to the far south side as you enter Gym 1. Check in with either Tom Coleman or Steven Farag.

The T-Shirt Exchange Message Board will be mounted on the wall on the east side.

Procedure

Your job is to facilitate entrants leaving a note on our message board indicating their contact info, what size shirt they have, and what size shirt they need (see below). When another race entrant comes to the message board and “matches” the shirt another entrant has and the shirt that entrant needs, that entrant will take the card to arrange a shirt swap.
